MAY 6 REC'D

Dear David:

When I received your newsletter I was reminded that we had missed connections last time that you were here and that I owe you a very profound congratulations for steering the anti-discrimination bill through your legislature. I know what a tough thing that is to do. I remember that it was easy until we got close in Massachusetts and then various opponents really came out from under the rocks and made it tough. So, I am very much in awe of your ability to get it through.

I'm really sorry our schedules didn't mesh when you were here last. If you get this way again, I'm going to make every effort to make sure that we can get together. Again, congratulations and please let me know as soon as you know if you're going to be in the area again.

Incidentally, I'd be very much interested in seeing a copy of your Sexual Orientation Anti-discrimination Bill if you could send one along. Thanks.

BARNEY FRANK
