

Rep D. Clarentback  
Congressman

Dear Sir:

Read of your bill you are promoting concerning legalizing  
homosexuality, & other perversions under Wis. Law.  
Since you obviously do not read God's Word you do not  
know homosexuality is an abomination to the Lord.

I doubt if your Bill will become law, in fact  
I'm certain you will not be a lawmaker next year.  
The born-again Christians in Wis have had enough  
of the Godless law makers & will vote against  
any & all who support unrighteousness

Dear Representative Clarenbach,

I could not believe my eyes tonight when I saw you on television pushing for the passage of homosexuality and fornication being legalized.

Has it ever occurred to you that God put you in a place of importance to pass good laws for the benefit of mankind, not their detriment. I'm sure the people elected you to do a better job than you are doing. I think it is a disgrace. When I saw what you did it reminded me of a Biblical verse, it goes like this.....

"But because thou art lukewarm, and neither hot nor cold, I will begin to vomit thee out of My Mouth."

I am wondering where you go to church or what religious training you had a child. Someday you will have to answer to God for the harm you caused...instead of helping to make this country of ours great, and strong morally, etc.... you are helping to pull it down.

Don't you realize it says in the Bible, "No fornicator will enter into the Kingdom of Heaven." Think of the souls you are leading to perdition. I would not want that on my conscience when I meet my Maker. It also states,

"Woe to you who call evil good, and good, evil." Isaiah 5:20

Wisconsin State Assembly,  
State Capitol,

Dear Rep. Clarenbach,

True, laws will not stop all cohabitation, fornication, abortion, murder, or whatever, BUT shouldn't our government stand up for right --- for morality??

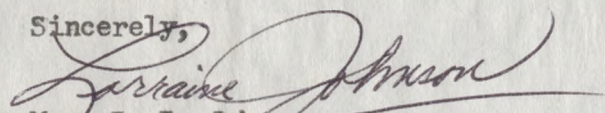

I agree with Rep. Joseph Tregoning (R-Shullsburg), that the state would be sanctioning more out of wedlock pregnancies -- and, I might add, abortions. Is this what you want? (Study enclosed pamphlet).

I know you don't have to worry about my vote, but you'd better worry about God's Word. God instituted marriage and the family and you can see what is happening in our country with all the disregard for God's Word. It's a shame that a good-looking man as you <sup>now</sup> is working into the Devil's hand, when you have the opportunity to do good for God's Kingdom.

I don't know if you like to hear from your constituents, but I am one citizen who is sick and tired of being asked to write to my representatives in government on every bill I am concerned about. Rep. Manske (R-Milton) says "nobody in his hometown was waiting with a noose" because he voted for the bill. Well, we hire you people because we think you'll represent us well; yet, besides our jobs, we are supposed to be constantly writing letters so you people know what's right.

I hope your views will change in the future.

Sincerely,

  
Mrs. L. I. Johnson

Dear Mr. Clarenbach:

If sex is all you have on your mind to have a bill passed as it did, I wonder if you might be gay. It seems to me today, you have to be a crook, gay, or mental to have the laws protect you. You are making marriage old fashioned. AFDC mama's can now have their live-in boyfriends make more children which we taxpayers have to support. You are insane. You are one man I hope gets AIDS. You are cheap, immoral, and completely nuts. You might also tell your sexy immoral people who helped you with this bill. You deserve to be impeached. Why not open up the whore houses and gambling? I also think our governor's press secretary had something to do with this--protect the gays and lesbians. ~~Why~~<sup>How</sup> nuts can you be. God should punish you and I know he will.

David E. Clarenbach

Dear Mr. Clarenbach:

Either you don't know, or believe the Bible account of Sodom and Gomorrah. However, Genesis 18 and 19 give a vivid account of their fiery destruction because their sin was an abomination to God Almighty. And what was that sin? Homosexuality!

God created Adam and Eve and commanded them to be fruitful and multiply - **not Adam and Harry just to have sex**. Throughout the Bible sex is permitted only within the bonds of marriage and is condemned as sin from any other perspective. Putting God's command into practice would also stop all the unwanted teen pregnancies for which Milwaukee is also a national leader.

But what we see happening today is exactly what Romans 1 talks about - V. 22 "Professing themselves to be wise, they became fools, 23 And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things. 24 Wherefore God also gave them up to uncleanness through the lusts of their own hearts; to dishonour their own bodies between themselves: 25 Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen. 26 For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: 27 And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet".

To condone and even flaunt such sinful behavior is abominable. To be proud of gross sinfulness is a sad commentary on a sick society. Many fine Milwaukee and Wisconsin people AREN'T proud of them. The Assembly has no right to make such a proclamation as though it were the opinion of all the residents. You're entitled to your opinion, but you certainly don't speak for the majority, regardless of a slanted press.

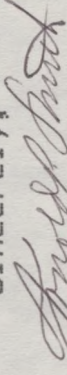

As Abraham of old asked God to spare Sodom and Gomorrah for a handful of righteous people who lived there, so I today ask for God's mercy upon Milwaukee and our state. Although God wasn't able to find enough people to spare those cities, I pray He'll find enough here.

Homosexuality is forgivable by God. He can deliver anyone who will call upon the name of Jesus. Just as He can take drugs and alcohol and set people free from them, He's able to help anyone who really wants to be straight. He's a good, loving, powerful God who'd far rather save us than condemn us - that's why Jesus died on the cross for us and rose from the dead and now sits at the right hand of the Father interceding for us.

As Billy Graham once said, if we keep on condoning homosexuality God will either have to judge us, or resurrect and apologize to Sodom and Gomorrah. Please retract your endorsement of what is an abomination to God. And it would be a good idea for you to ask God to forgive you personally and let Jesus Christ become your Lord and Savior. He loves you!

Arnold P. Smith

Dear Mr; Speaker Pro Tempore:

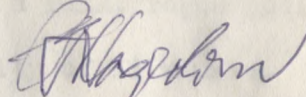

Your egregious misuse of the powers vested in you by the voters of The State of Wisconsin in issuing a "Proclamation" endorsing the agenda of a sodomite subculture is deeply offensive!

To ask my support of a "wacky" homeostasis<sup>is</sup> an effrontery so bold as to attack the core of a stable civilization...the traditional family: mother, father and children.

The homophonic choir of Clarenbach, Norquist, Schulz and Ament should be held in contempt for pandering as privy council to homosexual PAC's!

You owe the citizens of Wisconsin an apology, Mr. Speaker.

Sincerely,

JOHN C. NORQUIST  
Mayor  
City Of Milwaukee

Dear Mayor Norquist:

Your appeal for a "Christian" response to your panegyric pandering to the Milwaukee Homosexual/Lesbian Community is an egregious affront to Christians past, present and future!

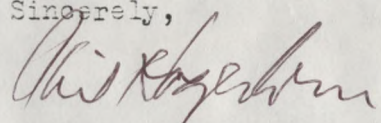

"Woman, where are your accusers? .....neither do I condemn you; go, and sin no more!" (Jesus to the woman caught in the act of adultery from the NT of The Holy Bible)

"WE ARE PROUD OF WHO YOU ARE!" is a brazen attack upon the marriage covenant as instituted by Almighty God and mocks the rule of nature and law upon which our great nation was founded.

In making the above statement, Mr. Mayor, you have betrayed your oath of office and have shown yourself to be a rank, rogue politician!

I'm not proud of you, nor of the City of Milwaukee.

Sincerely,
